Organizations

Member of Women in Electrical and Computer Engineering (WECE), 2014 – present
Member of Society of Women Engineers (SWE), 2014 – present
Member of Women in Computer Science (WiCS), 2015
Member of Mobile App Development (MAD), 2015
Member of Freshman Founders, University of Texas, 2014 – 2015

Projects/Hobbies

thebloggingbrew.com – I designed this blog on WordPress, where I teach young women how to start their own blog and provide tips on how to be successful in college.
MAD – I'm currently attending weekly workshops through this organization to learn about iOS and web development.
ThrifIt! – A startup idea I recently began working on that would make the process of buying and selling products on campus easier for students.
